

VPK Standards Training

This three hour training will provide VPK teachers and directors with an overview of the VPK Educational Standards and describe ways to incorporate the VPK Standards in the classroom.

Why take this training???

- ❖ New VPK directors must have the VPK Standards course to obtain the VPK Director Credential. <http://www.myfloridaeducation.com/earlylearning>
- ❖ All Participants will receive .3 Continuing Education Units (CEU)
- ❖ Knowledge of the VPK Standards will help in providing children with the highest quality of care and education

Students are responsible for the \$12 fee.

Students will be dropped for non-payment if their fees are not paid at the time of registration.
