

VPK Standards Training WORKSHOP

This three hour training will provide VPK teachers and directors with an overview of the VPK Educational Standards and describe ways to incorporate the VPK Standards in the classroom.

Why take this training???

- ❖ New VPK directors must have the VPK Standards course to obtain the VPK Director Credential.
<http://www.myfloridaeducation.com/earlylearning>
- ❖ All Participants will receive .3 Continuing Education Units (CEU) & will have their VPK Standards Training recorded on their DCF Training Transcript
- ❖ Knowledge of the VPK Standards will help in providing children with the highest quality of care and education

FREE

*Visit www.pbcc.edu/childcare.xml for more information on Early Childhood Education Programs at PBCC.
