

Sign In to Your Family Portal Account

Use these steps if you have already created an account.

1

Go to the Family Portal and select Sign In.

2

Select Hosted/Self-Registered Login.

3

Enter your SSO username and select Sign In.

4

Enter your password and select Continue.

5

Select Send Code to receive a security code using the method you chose when you created your account.

6

Enter the code and select Verify Code. Your Family Portal account will open.

FORGOT YOUR SSO USERNAME?

On the SSO sign-in screen, select Forgot Sign In Name. Your username will be sent to the email address connected to your account.
